

SERVICE RULES AND REGULATIONS

I. OBJECTIVE

To provide Service Rules and Regulations which define the terms and conditions under which the Cooperative will provide electric service to all applicants for membership on a fair and uniform basis.

II. POLICY

The Service Rules and Regulations apply to each and every member or applicant for membership. They are a part of every contract for service made by Jefferson Energy, unless modified by special terms written therein, and govern all classes of service. Copies of Service Rules and Regulations, Rate Schedules, and Bylaws are on file in the Cooperative's office and are open to inspection by members.

III. RESPONSIBILITY

A. President & CEO
